

Withycombe Raleigh Church of England Primary School Pupil Premium Key Information Strategy Statement

What is it and who is it for?

The government decided, in April 2011, they would give schools grant money to support pupils who have been registered for free school meals at any time whilst at Primary school. They also give funding for children whose parents are in the military forces and for children in care. <https://www.gov.uk/guidance/pupil-premium-effective-use-and-accountability>

How much do we get each year?

It changes each year; for the 2018/2019 financial year it was £100,040 and for the 2019/20 financial year it was £103,600.

What do we do with it?

- Forest School supplies and training
- Extra support by teaching assistants
- providing life skill activities and real life experiences to develop language skills
- Subsidies for trips
- KS1 Pupil Premium group
- These pupils will be first in line for interventions if needed, e.g. Nessy which helps with dyslexia, also HighFive for dysgraphia, FUNFIT for dyspraxia, yoga if needed, as well as Literacy and Maths interventions.
- Specialist emotional wellbeing support and expertise through our in-house team, also counselling and play therapy, also staff training to maximise this
- Regular meetings to quality assure what we are providing
- Provide services to parents e.g. Solihull, Timid2Tiger, Friday workshops to provide information and helpful advice
- Support with school uniforms.

What outcomes do we want?

- To improve children's wellbeing and self-esteem
- To help them have educational and enrichment opportunities they may otherwise not have
- To close any gap between them and peers academically or emotionally
- To reach greater depth for those for whom this is appropriate.

How do we measure this impact?

Academic data (Year 6 2018/19):

- Reading average standardised score 102
- Maths average standardised score 103

Emotional measures:

- BOXALL, THRIVE, ELSA, SDQ scores, also results of emotional wellbeing interventions.
