Year 2 Newsletter – Summer Term

Dear Parents/Carers

23rd April 2021

Welcome to the Summer Term. As well as focusing on the core subjects of English and Maths, we have lots of exciting opportunities coming up this term. Our topic will be 'We are Explorers'. In Science, we will study plants, animals and their habitats. In Geography we will be comparing Exmouth with contrasting locations. In Art we will be drawing and making prints based on the work of William Morris and other artisits. We are sure that the children will find these really enjoyable and informative experiences and if you have any resources or expertise in these areas please let us know.

We would like to thank the many parents who support their children with daily reading. It is so important and of great benefit at all stages of reading. Children in Year 2 should read for 15-20 minutes each day, in line with our school policy. Please ensure that a record of this is being kept in their reading record books and let us know if there are any problems with this.

Now that we are in the summer term your child may of course wear summer uniform (or whatever uniform you have that fits!). Children do not need to wear their ties. For the first two weeks we still have L&F Sports on a Tuesday so would like the children to continue wearing their PE kits to school. We will let you know **if** the day they will need to wear their kit changes. As the weather improves please can children bring named sun hats. Please apply long lasting sun cream at home as we are unable to have sun cream at school.

Do email us if you have questions about any aspect of your child's school life as we will be only too pleased to help. We hope your child will have a happy and successful Summer Term.

Yours sincerely

The Year 2 Team

Mrs Hooper/Mrs Wilson Mrs Gallagher/Mrs Vivian Mrs Wellbeloved
